MINUTE ORDER

The following Minute Order is made by direction of the Court, the Honorable Thomas S. Zilly, United States District Judge:

(1) The parties' stipulated motion to extend certain deadlines, docket no. 165, is GRANTED in part and DENIED in part as follows:

(a) The deadline for disclosure of expert testimony pursuant to Federal Rule of Civil Procedure 26(a)(2) is EXTENDED from March 24, 2023, to **April 24, 2023**;

(b) The deadline for filing discovery-related motions is EXTENDED from Thursday, May 18, 2023, to **Thursday, June 15, 2023**;

(c) The deadline for completing discovery is EXTENDED from June 23, 2023, to **July 21, 2023**; and

1 (d) The motion is otherwise DENIED.<sup>1</sup> All other dates and deadlines  
2 set forth in the Minute Order Setting Trial Date and Related Dates, docket no. 75,  
shall remain in full force and effect.

3 (2) The Clerk is directed to send a copy of this Minute Order to all counsel of  
4 record.

19 <sup>1</sup> The parties have proposed to extend the deadlines for filing dispositive motions and motions  
20 related to expert witnesses to Friday, September 1, 2023. Doing so would result in dispositive  
21 motions noting on September 29, 2023, and motions related to expert witnesses noting a week  
22 earlier, rather than on the same date as any dispositive motions. This schedule would not permit  
23 the Court to rule on the dispositive and expert-related motions before motions in limine, the  
proposed pretrial order, trial briefs, proposed voir dire questions, and proposed jury instructions  
are due. The parties' suggested extension of the dispositive and expert-related motions deadlines  
without altering the trial date is unworkable.
